

**This year in America,  
over 2000 men will be  
diagnosed with  
breast cancer.  
Will you be one of them?**

**Know the symptoms of  
male breast cancer:**

**A painless lump**

**Thickening of your breast tissue**

**Changes to the skin of your breast area:**

- dimpling**
- puckering**
- redness**
- scaling**

**Changes to your nipple:**

- redness**
- scaling**
- nipple that is turning inward**
- discharge from your nipple**

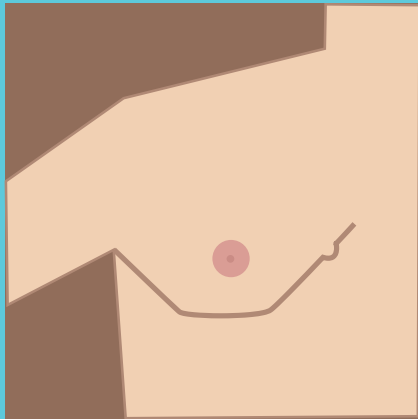

**I Didn't Think  
It Could  
Happen To Me**

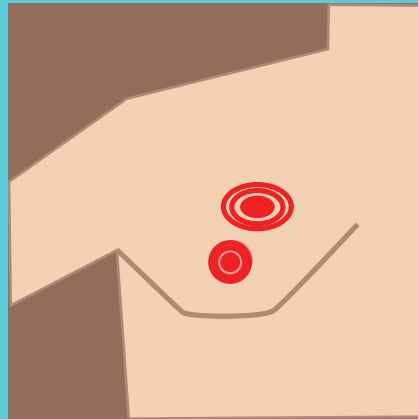

**Dedicated to raising awareness  
of  
male breast cancer**
